CONNECTING CHILDREN TO NATURE

Scholarship Application

Through a generous donation from the Friends of Warner Park, Leadership Academy is able to offer partial scholarships to campers that would like to play outside at one of Nashville’s best Metro Parks! Scholarship applications will be reviewed by the administrative team at Camp Warner Park and distributed on a need basis, funds are limited. Camp Counselors do not know which children receive scholarships.

Camp Warner Park loves connecting kids with nature! Every day at Camp is filled with imaginative play, learning in the Nature Center, splashing in the creek, meeting local wildlife, and more! Camp Warner Park is a place where your child’s creativity and imagination can run wild!
